1. What cookies are

Cookies are small text files stored on your device when you visit a website. They help the site function and can support analytics or preferences.

2. How we use cookies

- Essential cookies: used for basic website functionality (if applicable).
- Analytics cookies: used only if enabled (e.g., to understand visits and improve content).

If you are not using analytics or marketing tools, cookie usage may be minimal.

3. Managing cookies

- You can control cookies in your browser settings (block, delete, or restrict).
- Blocking cookies may affect how some websites function.

4. Updates

We may update this policy from time to time. The latest version will be available on our website.
